

Intense Finishing Touch – Body Gel

Key Ingredients that Work

- Inter-Penetrating Biopolymer (Kappaphycus Alvarezii & Caesalpinia Spinosa Fruit Extract) – Lifting, firming, and skin-tightening effect.
- Japanese Lilyturf (Ophiopogon Japonicus Root Extract) – Strengthens skin barrier, increases natural moisturising factors, limits water loss.
- Wild Pansy (Hydrolyzed Viola Tricolor Extract) – Boosts hyaluronic acid production, improves hydration channels, smooths and plumps skin.
- Pineapple Fruit Extract – Exfoliates with natural AHAs and bromelain, brightens dull skin, supports collagen and elastin synthesis.
- Papaya Fruit Extract – Enzymatically removes dead skin cells, soothes irritation, and promotes an even tone.
- Sodium Lactate – Potent humectant and antioxidant, improves moisture levels, evens skin colour, enhances efficacy of other actives.

PRODUCTS THAT CHANGE LIVES

Intense Finishing Touch – Body Gel

Product description

This cooling, revitalising gel is the perfect final step to any spa treatment. Its intensely hydrating yet non-greasy formula dries to a light film, locking in essential moisture while leaving skin refreshed, smooth, and silky.

Powered by Japanese Lilyturf and Wild Pansy, it helps reinforce the skin's barrier, boost hyaluronic acid, and maintain optimal hydration. Natural fruit extracts of Pineapple and Papaya gently resurface and renew, improving texture and radiance. A unique bio-polymer complex delivers a visible lifting and firming effect, enhancing tone and contour for a refined finish.
