

Eye Opener

Key Ingredients That Work

- Giant Kelp Extract & Hydrolysed Wheat Protein – Tighten and smooth the skin, boost radiance, and deliver an immediate lifting effect.
- BioSkinup Contour (Muir Puama, Brazilian Ginseng & White Lily) – Reduce dark circles, puffiness, and under-eye bags while supporting collagen, elastin, and tissue repair.
- AquaCacteen (Organic Cactus Elixir) – Soothes irritation, provides deep and lasting hydration, and protects skin with essential vitamins and minerals.
- Olive Fruit Oil – Nourishes, moisturizes, and helps protect against UV-induced damage with natural polyphenols.

Eye Opener

Product description

Revolution-EYZ Eye Opener Serum is a powerful multi-action treatment designed to address every sign of aging around the eyes—even delicate crepey eyelids. Formulated with organic cactus elixir, giant kelp, and a unique BioSkinup Contour complex, this advanced serum works to hydrate, firm, and protect while visibly reducing puffiness, dark circles, and fine lines. With its antioxidant-rich blend, it repairs, strengthens, and revitalizes the eye area, helping achieve a smoother, brighter, and more youthful appearance.

Directions for use

AM & PM: Cleanse with RégimA. Apply a small amount of Revolution-EYZ to the whole of the eye area. May be used in conjunction with RégimA Zone New Expression Under Eye Fix, which may be applied to the under eye area and crow's feet over the top of Revolution-EYZ as it provides added 3 in 1 action: Anti-puffiness, anti-dark circles, myorelaxing effect (visibly smoothing laughter lines). The combination of RégimA Zone Revolution-EYZ and New Expression-365 Under Eye Fix is highly recommended.
