

Footsy Repairing Foot Lotion

Skin-Loving Ingredients for Deep Hydration & Renewal

- **Urea & Lactic Acid** – Gently exfoliate and deeply hydrate to smooth rough, dry skin.
- **Sweet Almond Oil (Amygdalus Dulcis)** – Rich in vitamins and essential fatty acids to soften and nourish.
- **Lanolin & Petrolatum** – Create a protective barrier to lock in moisture and support healing.
- **Cucumber Extract (Cucumis Sativus)** – Soothes and calms irritation while refreshing the skin.
- **Glycerin** – A powerful humectant that draws in and retains moisture.
- **Bergamot Oil (Citrus Aurantium Bergamia)** – Adds a light, natural scent while offering purifying properties.

PRODUCTS THAT CHANGE LIVES

Footsy Repairing Foot Lotion

Product description

This fast-absorbing lotion hydrates and locks in essential moisture to keep feet soft and smooth, without any greasy residue, so you can slip comfortably into shoes. It helps relieve tired, swollen feet and legs while soothing and repairing dry, rough, or cracked skin, leaving feet refreshed and revitalized.

All Skin Types • [Classic / Original Formulation]

*Classic Products only available in South Africa
