

Epi-Genes Xpress

Key Ingredients That Work

Unique Probiotic – Activates gene expression to accelerate healthy skin renewal, strengthens the epidermis, reduces wrinkles, and improves dull or lifeless skin.

African Seed Extract – Re-densifies the epidermis, stimulates nerve regrowth, improves cell cohesion, and smooths wrinkles for renewed radiance.

Rosa Canina (Rosehip Seed Oil) – Rich in vitamins and essential fatty acids, it deeply moisturises, promotes healing, and helps combat wrinkles, sun damage, and uneven skin tone.

Tocopheryl Acetate (Vitamin E) – A powerful antioxidant that hydrates, repairs, and helps prevent premature ageing caused by UV damage.

Retinyl Palmitate (Vitamin A) – Gentle and non-irritating, stimulates collagen production, boosts elasticity, and supports skin repair.

Panthenol (Pro-Vitamin B5) – A soothing, deeply hydrating, anti-inflammatory active that restores and strengthens the skin barrier.

PRODUCTS THAT CHANGE LIVES

Sensorial Daily Protector

Product description

The Sensorial Daily Protector SPF 25 is a lightweight, luxurious emulsion that delivers intelligent sun protection while nurturing the skin. Infused with β -Endorphin Stimulating Technology, it promotes a sense of wellbeing, leaving skin smoother, firmer, and refreshed. A powerhouse of antioxidants, including stabilised Vitamin C, Vitamin E, and the Celligent Complex, it protects against UV-induced DNA and stem cell damage, while encouraging regeneration and reducing redness. With 24-hour Chronoactive technology, it continues to defend and repair long after sun exposure, supporting youthful, radiant, and resilient skin. Perfect for daily use, this advanced formula safeguards against photo-ageing while keeping skin calm, moisturised, and glowing.

PRODUCTS THAT CHANGE LIVES

Sensorial Daily Protector

Directions for use

AM: Cleanse with RégimA cleanser. Apply RégimA eye products and serums. Apply 2 pump depressions of Sensorial Daily Protector to face and neck, as one would a daytime moisturizer, avoiding eye area. Allow a minute prior to applying make-up.

When exposed to extreme sunshine reapply as necessary.

Use in conjunction with other RégimA Zone home care.
