

Daily Ultra Defense

Key Ingredients That Work

- Beta-Endorphin Stimulator – Boosts skin wellbeing, firms, smooths, reduces wrinkles, and protects with antioxidant action.
- UVA & UVB High Tech Protectors – Broad-spectrum, photostable protection against DNA damage, free radicals, and sunburn, with long-lasting safety and effectiveness.
- 24 Hour Chronoactive – Provides round-the-clock antioxidant defense, reduces sun-induced redness, and extends UV protection even overnight.
- Synergistic Sea Complex (Chondrus Crispus, Ulva Lactuca, Enteromorpha, Palmaria Palmata, Undaria Pinnatifida) – Deeply hydrates, protects, and revitalizes with a rich supply of polysaccharides, vitamins, minerals, and antioxidants.
- Hyaluronic Acid – Intensely hydrates, improves skin texture, and strengthens natural moisture reserves for smooth, plump skin.
- Black Tea Extract – Prevents glycation, smooths, brightens, and enhances skin radiance.

Daily Ultra Defense

Product description

Daily Ultra Defence + β eta-Endorphin Stimulator SPF 25 is a luxurious, deeply hydrating daily defence treatment that combines advanced sun protection with powerful skin-regenerating actives. Delivering a sense of wellbeing on application, this rich formulation smooths, firms, and protects against environmental damage while restoring perfect moisture balance. A marine complex packed with vitamins, minerals, and polysaccharides revitalizes and protects cellular health, while hyaluronic acid ensures long-lasting hydration. With photostable UVA/UVB filters, 24-hour Chronoactive antioxidants, and wrinkle-fighting black tea extract, this multi-functional cream defends against premature ageing, reduces inflammation, and leaves skin feeling silky, radiant, and youthfully resilient.
