Ultralite Therapeutic Massage

Product description

This rich yet lightweight cream is formulated with a blend of skin-identical oils, antioxidants, and natural extracts to deeply hydrate and restore balance to the skin. Squalane and Jojoba Oil provide lightweight hydration while reinforcing the skin barrier, while Shea Butter delivers intensive nourishment to soften and smooth dry areas. Glycerin locks in long-lasting moisture, and Soybean Oil with Vitamin E helps protect against free radical damage while improving elasticity. Infused with Lime Extract, the formula refreshes and brightens, leaving skin feeling supple, revitalized, and healthy.
