

## “ON Q” QUENCHING FACIAL OIL

### Key Ingredients that Work

- Prickly Pear Seed Oil – Certified Ecocert organic, exceptionally rich in Vitamins A, C, E, K and Essential Fatty Acids. Deeply hydrates, calms inflammation, restores elasticity, brightens skin, refines pores, and improves overall complexion. Contains 150% more Vitamin E than argan oil.
- BV-OSC (Ascorbyl Tetraisopalmitate) – A powerful, stable, oil-soluble Vitamin C. Protects cells from UV damage, reduces pigmentation, promotes collagen synthesis, brightens, smooths, and strengthens skin.
- Camellia Seed Oil – The treasured “secret of the Geishas.” Rich in Omegas and antioxidants, it penetrates deeply to restore moisture, soothe sensitivity, and improve elasticity.
- Hazelnut Oil – Strengthens capillaries, tones and tightens skin, supports regeneration without greasiness.
- Apricot Kernel Oil – Lightweight, vitamin-rich oil that nourishes, repairs photo-damage, and improves dry or mature skin.
- Rosehip Fruit Oil – Abundant in Vitamins A & C, essential fatty acids, and antioxidants. Repairs skin, improves elasticity, reduces scars, pigmentation, and signs of ageing.
- Blackcurrant Seed Oil – Rich in Omegas 3 & 6 and Vitamin C. Calms inflammation, strengthens barrier function, soothes eczema-prone and sensitive skin while improving tone and texture.

## “ON Q” QUENCHING FACIAL OIL

### Product description

An indulgent addition to RégimA's anti-ageing collection, On Q – Quenching Facial Oil delivers deep hydration and advanced skin renewal. Infused with exotic super oils and two powerful actives – Prickly Pear Seed Oil and BV-OSC (Oil-Soluble Vitamin C) – this treatment nourishes, protects, and revitalises the skin.

The lightweight, fast-absorbing formula calms inflammation, strengthens resilience, and combats oxidative stress, while enhancing collagen synthesis for firmer, smoother skin. With consistent use, skin appears brighter, more even-toned, supple, and youthful.

Perfect for all skin types, even sensitive, this luxurious facial oil provides long-lasting moisture and protection against premature ageing.
