

O2-Radiance Luminosity Masque

Key Ingredients that Work

- **Inter-Penetrating Biopolymer:** A unique eco-designed ingredient derived from algae and South American plant extracts. Provides intense lifting with “second skin” protection, shielding against pollutants, allergens, and irritants.
- **Pineapple Extract:** Rich in natural AHAs and Bromelain enzyme to gently exfoliate and remove dead tissue. Detoxifies, promotes radiance, stimulates collagen and elastin synthesis, and reduces inflammation with vitamins A and C.
- **Papaya Extract:** Contains the enzyme Papain to dissolve dead tissue naturally while soothing irritation and supporting wound healing. Packed with antioxidant vitamins A, C, and E.
- **Lupine Seeds:** Boosts oxygenation by stimulating VEGF synthesis, improving microcirculation, and enhancing skin radiance. Smooths skin texture and promotes fibroblast renewal for a youthful glow.
- **Nasturtium Extract:** Helps cells adapt to low-oxygen stress, promoting optimal oxygenation for a brighter, healthier complexion.
- **Kombuchka Black Tea Ferment:** Increases brightness and radiance, prevents glycation to protect elastin fibres, improves density, and smooths skin texture for anti-ageing benefits.

PRODUCTS THAT CHANGE LIVES

O2-Radiance Luminosity Masque

Product description

A powerful anti-ageing masque designed to oxygenate, renew, and rejuvenate dull, lifeless skin. Advanced natural actives promote oxygenation and stimulate microcirculation, improving skin surface condition and restoring radiance. Exotic fruit enzymes, rich in vitamins, minerals, and amino acids, boost collagen and elastin production, increase healthy cell turnover, and gently exfoliate for smoother, brighter skin.

The result is luminous, youthful-looking skin with a radiant glow.

Also shown to calm the symptoms of rosacea.

O2-Radiance Luminosity Masque

Directions for use

To be used as part of a RégimA in-salon treatment.

1. Cleanse with RégimA.
2. Apply a thin layer of Masque with fingertips to face and neck, avoiding the eye area.
3. Allow 15–20 minutes for penetration and action.
4. Remove thoroughly with RégimA Cleanser.
5. Follow with appropriate RégimA after-treatment products.

Important: MUST NOT be combined with any other product range.
