

## Active Body Oil

### Key Ingredients that Work

- Camellia Sinensis Seed Oil – Deeply penetrating, antioxidant-rich oil that moisturizes, soothes sensitive skin, protects against UV damage, and improves elasticity.
- Biotechnology Vegetal Extract (Octyldodecyl Ester of L-PCA) – Strengthens the skin barrier, supports cell cohesion, and promotes epidermal lipid synthesis for long-term skin health.
- Hazelnut Seed Oil – Easily absorbed, softens and tones the skin while boosting regeneration.
- Rosa Canina Fruit Oil (Rosehip) – High in vitamins and antioxidants, supports skin repair, reduces fluid retention, and protects from environmental stress.
- Blackcurrant Seed Oil – Rich in Omega 3 & 6, anti-inflammatory, improves moisture retention, supports healing for eczema/psoriasis-prone skins.
- Argan Oil – Rare phytosterols reduce inflammation, beneficial for acne and chronic skin conditions.
- Apricot Kernel Oil – Mimics the skin's natural lipid balance, soothing dry, irritated, or damaged skin.

## Active Body Oil

### Product description

Complete your RégimA SpaZone ritual with this luxurious, therapeutic body oil. This indulgent blend of exotic oils deeply nourishes and rejuvenates, restoring harmony to the skin. Leading the way is Camellia Oil, a centuries-old Japanese beauty secret, rich in Omegas 3, 6, and 9, and vitamins A, B, and D – perfectly absorbed thanks to its identical molecular weight to skin lipids.

Complemented by Rosehip, Blackcurrant, Argan, and Apricot Kernel Oils, this powerhouse blend delivers potent antioxidant, anti-inflammatory, and anti-bacterial benefits. It helps calm skin conditions such as rosacea, eczema, and psoriasis, while visibly improving the appearance of premature ageing, dryness, and fine lines. Skin feels soft, supple, and restored after every massage.
