Scar Repair Forte + Anti-Stretch Complex – Super Strength Serum

Key Ingredients that Work

- Centella Asiatica & Nano-Centella – Promotes rapid healing, reduces inflammation, and supports balanced collagen synthesis.
- Centelastin™ – Stimulates healthy elastin production, protects against UV damage, and helps prevent scar thickening.
- Palmitoyl Tripeptide-5 – Boosts collagen production, strengthens skin, and helps reduce stretch marks.
- Yeast Beta Glucan – Natural defense booster with antibacterial, antiviral, and antifungal properties.
- Horsetail Extract – Protects collagen and elastin, improves tone, and calms irritation.
- Arnica Montana Flower & Ivy Extract – Reduces inflammation, soothes skin, and improves circulation.
- Citrus Fruit Extract – Brightens, tones, and provides antioxidant protection.

PRODUCTS THAT CHANGE LIVES

Scar Repair Forte + Anti-Stretch Complex – Super Strength Serum

Product description

Scar Repair Forté is a powerful, super-strength serum designed for advanced scar management. Its cutting-edge natural and medical-grade actives target every stage of the healing process, helping prevent raised, itchy, or discolored scars. By accelerating scar maturation and supporting balanced collagen synthesis, it promotes flatter, smoother, and less visible scars while protecting against bacterial, viral, and fungal infections.

This advanced formula is also effective on older hypertrophic and keloid scars, reducing redness, discomfort, and thickness. It further helps treat and prevent red or purple stretch marks by repairing damaged tissue and improving skin elasticity.

Scar Repair Forte + Anti-Stretch Complex – Super Strength Serum

Directions of use

Only after the initial repair process of a wound has taken place, massage 1–2 pump depressions of serum 2 to 4 times daily onto scars and areas prone to stretch marks.

Important: MUST NOT be combined with any other product range.

Ingredients

Aqua (Water), Butylene Glycol, Triticum Vulgare (Wheat) Germ Oil, Glycerin, PEG-20 Hydrogenated Lanolin, Propylene Glycol, Hydrogenated Starch Hydrolysate, Saccharide Isomerate, Cetearyl Alcohol, Dimethyl Sulfone, Acid Propionic, Aloeferox, Cetyl Alcohol, Silica Dimethyl Silylate, Decarboxy Carnosine HCL, Palmitoyl Tripeptide-5, Centella Asiatica Extract, Marrubium Vulgare Extract, Peucedanum Ostruthium Leaf Extract, Hydrogenated Lecithin, Silica, Rosehip (Rosa Canina) Oil, Panthenol, Arnica Montana Flower Extract, Equisetum Arvense Extract, Saponaria Officinalis Leaf Root Extract, Yeast Extract, Inulin, Lauryl Carbamate, Citrus Limon Fruit Extract, Xanthan Gum, Caffeine, Sorbitol, Citric Acid, Panolactone, Sodium Benzoate, Sodium Citrate, Potassium Sorbate, Sodium Phosphates, Ethylhexylglycerin, Glyceryl Caprylate, Disodium EDTA, Propanediol, Potassium Sorbate, Phenoxyethanol, Caprylyl Glycol.
