Super Smoother

Key Ingredients that Work

- Centelastin™ (Centella Asiatica Extract) – Stimulates collagen and elastin production to firm the skin, reduce fine lines, and improve resilience. Helps repair and strengthen the skin barrier while soothing sensitivity.
- Vitamin E (Tocopherol) – A potent antioxidant that protects against free radical damage, deeply nourishes, and supports natural skin repair for healthier, stronger skin.
- Carnitine & Caffeine Complex – Energises tired skin, reduces puffiness, and improves microcirculation to restore vitality and a more toned appearance.
- Allantoin & Echinacea Extract – Powerful soothing agents that calm irritation, reduce redness, and provide essential hydration for sensitive or reactive skin types.
- Turmeric & Bioflavonoids – Rich in natural antioxidants, these brighten dull skin, even out tone, and shield against environmental aggressors that accelerate ageing.
- Botanical Extracts (Ivy, Horsetail, Nettle) – Detoxify and revitalise the skin while refining texture, boosting firmness, and supporting overall skin health.

PRODUCTS THAT CHANGE LIVES

Super Smoother

Product description

The Zone Super Smoother is a powerful anti-ageing gel serum designed to instantly smooth, hydrate, and revitalise the skin. Featuring a unique Dual Hyaluronic Acid Complex, it penetrates deeply to deliver immediate and long-term moisture, leaving skin visibly plumper, firmer, and more refined, without any oiliness.

This lightweight, cooling serum absorbs quickly, tightening and refreshing the skin while boosting elasticity. Particularly beneficial for adult acne-prone or dehydrated skins, it restores essential hydration without clogging pores. Used daily in combination with RégimA Zone treatments, Super Smoother enhances the effects of professional procedures and injectable fillers, amplifying results for a smoother, healthier, more youthful glow.
