

## Enhance a Lash

### Advanced Ingredients for Longer, Fuller-Looking Lashes

- **Myristoyl Pentapeptide-17 & Hexapeptide-10** – Lash-enhancing peptides that help promote longer, thicker-looking lashes by supporting keratin production and follicle strength.
- **RégimA Complex** – A unique blend of active botanicals and nutrients that nourish and condition lashes from root to tip.
- **Niacinamide (Vitamin B3)** – Helps improve lash resilience and supports a healthy follicle environment.
- **Panthenol & Allantoin** – Hydrate and soothe the delicate lash line while helping reduce breakage.
- **Biotin, Arginine & Amino Acids** – Essential nutrients that strengthen lashes and support healthy growth.
- **Ginseng & Yeast Extract** – Revitalize lash follicles and encourage the appearance of fuller, more voluminous lashes.

## Enhance a Lash

### Product description

Formulated with a powerful blend of advanced peptides and hair growth stimulators, Enhance-A-Lash helps improve the growth and condition of both lashes and brows. With regular use, lashes appear longer, fuller, stronger, and healthier. Suitable for both men and women, it's an effective solution for lashes that are thin, sparse, or prone to breakage due to environmental or physiological factors.

Safe for sensitive eyes and contact lens wearers.

## Enhance A Lash

### Directions for use

#### Directions for Use

- Use up to twice daily on clean, dry skin after removing all eye makeup.
- With the applicator tip, apply along the base of the upper lashes from inner to outer corner.
- Gently distribute with a fingertip along the lash roots and lashes. Repeat for bottom lashes.
- Allow product to dry completely before applying additional eye care products.
- Can also be applied nightly to clean, dry eyebrows.
