

ANTI-INFLAMM-AGEING

Key Ingredients That Work

- Balloon Vine Extract – Rich in phytosterols, relieves dry, itchy, inflamed skin, soothes eczema and rashes, restores barrier function, and reduces couperose and redness.
- Eperua Falcata Bark Extract – Patented rainforest extract that calms micro-inflammation, protects against oxidative stress, firms, tones, and delays skin sagging.
- Pichia Anomala Yeast Biopeptides – Regulates cell communication to reduce inflamm-ageing, restructures the dermal matrix, boosts elasticity, smooths wrinkles, and calms hypersensitivity.
- Rosa Canina (Rosehip) Fruit Oil – Rich in essential fatty acids and vitamins A & C, it nourishes, repairs, and brightens while soothing sensitivity and dryness.
- Blackcurrant Seed Oil – High in omega 3 & 6, protects against environmental stress, calms irritation, and helps improve eczema and psoriasis.
- Retinyl Palmitate (Vitamin A) – A gentle, stable form of Vitamin A that supports collagen, repairs skin, and combats visible ageing without irritation.
- Shea Butter – Deeply nourishing, anti-inflammatory, and rich in antioxidants; calms redness, hydrates intensely, and improves suppleness in even the most sensitive skins.
- Sunflower Oil Concentrate – Packed with vitamins, phytosterols, and omega-6; soothes irritation, hydrates, protects collagen and elastin, and reduces premature ageing.

PRODUCTS THAT CHANGE LIVES

ANTI-INFLAMM-AGEING

Product description

RégimA To the Rescue – Anti-Inflamm-Ageing is an ultra-rich, soothing skin saviour designed as a “first aid kit” for inflamed, irritated, and hypersensitive skins. At the heart of its advanced formulation lies Balloon Vine Extract, Eperua Falcata Bark, and Pichia Anomala Yeast Biopeptides, three patented actives that calm micro-inflammation, repair the skin barrier, and protect against the cycle of inflamm-ageing. Enhanced with rosehip, blackcurrant, shea butter, and sunflower oil, this powerful cream restores hydration, reduces redness, soothes itching, and strengthens skin resilience. With continual use, it helps prevent premature ageing, supports elasticity, and restores comfort to even the most reactive, delicate skins — leaving skin calmer, smoother, and beautifully protected.

PRODUCTS THAT CHANGE LIVES

ANTI-INFLAMM-AGEING

Directions for use

AM and/or PM: Cleanse with RégimA. Apply RégimA eye products and serums. Apply a thin layer of Anti-Inflamm-Ageing to the face under RégimA day and night products.

May also be applied immediately following a RégimA in-salon treatment, particularly if the skin is inflamed, dry or dehydrated.

Must NOT be combined with any other product range.
