

# RégimA THE ZONE

## Derma Zest Cleansing + Toning Gel

### Multi-action cleanser and toner in one

A gentle, soap-free gel that deeply cleanses, tones, and refreshes without drying the skin. Powered by healing plant extracts, **Ruby Star Grapefruit**, and **Bisabolol**, it helps regulate oil, refine pores, and enhance absorption of actives. Skin feels **firmer, smoother, and more balanced** after each use.

- **Cleanses, tones & removes makeup**
- **Regulates oil & tightens pores**
- **Anti-inflammatory, antioxidant-rich**
- **No need for a separate toner**
- **Ideal for all skin types, even sensitive**

Use AM & PM or after exercise for a fresh, clear complexion.

## Derma Zest Cleansing + Toning Gel

### Product description

This advanced, soap-free cleansing gel harnesses the power of renowned healing plants and bio-actives to cleanse, clarify, and tone the skin without harsh astringents or drying effects. The low-foam formula leaves a natural film of actives on the skin, helping to regulate excess oil, refine pores, and promote a firmer, more lifted appearance.

Enriched with Bisabolol, it enhances penetration of nourishing actives for maximum benefit and healthier-looking skin. Multifunctional and cost-effective, it combines the actions of a cleanser and toner in one, eliminating the need for a separate toner or astringent. Immediately after use, skin feels refreshed, tighter, and visibly more toned—without dryness.

Ideal for daily use, it also helps remove excess salt and oil after exercise, reducing the risk of blocked pores or dehydration.

All Skin Types • [Classic / Original Formulation]
